

The barnacles project planet 08 pets!

The staff is really friendly and they take care of it really well.

It's the best pet in the world.

**Bannabers:** Part mouse, part elephant, has most perfect but he's trusted her a very well. Her one of the perfect pets so he needs a gamely! He loves to play in his little ball so he can get exercise. **Lowell:** she's small but she's cute and she's an if you're complaining she's ready to go. **Sun grog:** holy dragon, but treats one of the dumbest. he always gets because he eats every day.
