

## A Trip to China

Choose which tasks you would like to complete each week. You can bring your learning to school at any time. Remember to include at least one task from each level over the half term. You can record your ideas in all sorts of ways. Here are some suggestions - paintings, models, photographs, writing, sound recordings, charts, collage. Learning can be put on Tapestry too! Have fun!

Tricky

- Think of a country you would like to visit or you have visited. Tell us why we should go there.
- Write a postcard to someone pretending that you are in China.
- Find out about Chinese tangrams. Make one of your own.

Moderate

- Present some information about an animal native to China.
- Make a model of a famous landmark or traditional building found in China.
- Draw a Chinese dragon and measure how long it is in cms.

Easy

- Make a flag for the country of your choice.
- Have a go at Chinese writing.
- Learn some Chinese words and phrases.
