

How does sport unite the world?

Home learning

Year 3 Spring Second Half Term

Tricky

Moderate

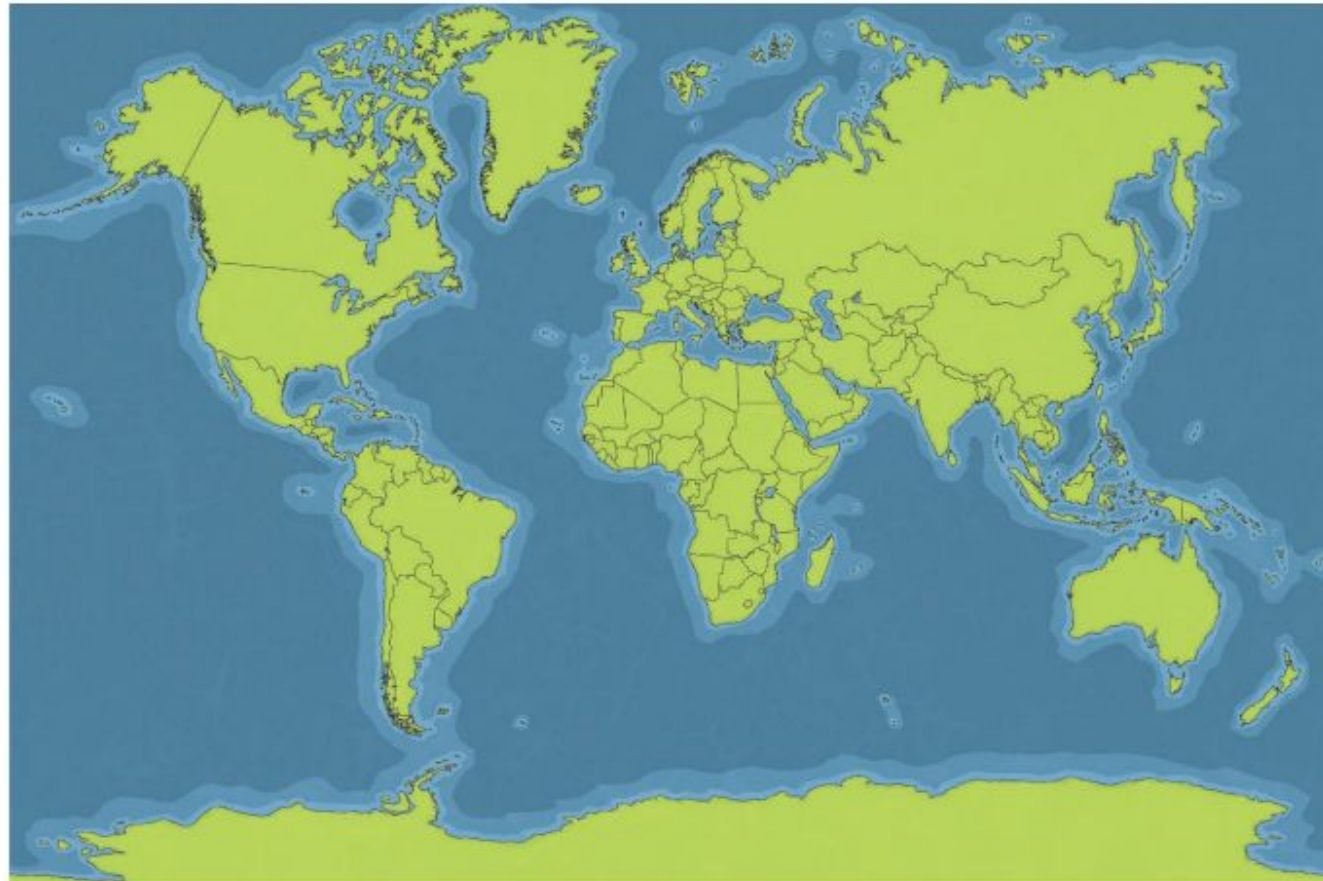

Easy

	English Create an Easter poem thinking about the theme of salvation.	Maths Measure how tall you are and mark your height on the floor. Place objects side by side next to your height. Can you find a combination of objects that measure the same length as your height? Take photos of your findings.	Topic Use an atlas to locate the host cities of the Winter Olympics on a world map (see additional sheet).
	Maths Using a ruler, measure the height and width of the different superheroes. (see additional sheet).	Topic Complete an observational drawing of a plant. Can you label the different parts of a plant?	English Research and create a fact file about the Winter Olympics 2018.
	Topic Time to get active! Make a list of all the ways you have been active and how many minutes you spent being active. Can you take a photo of you being active outside school?	English Draw a picture of a famous sports person and write five facts about them.	Maths Measure the length of 10 items around your house. Can you order them from shortest to longest?
