Apps to support homelearning

APPS YOU CAN USE TO SUPPORT YOUR CHILDREN WITH THEIR LEARNING AT HOME

# English

*Reception* **Teach Your Monster To Read**

**Twinkl Phonics**  
**Teach Your Monster To Read**  
**Bobblewrite**

*Year 1*

*Year 2*

**Bobblewrite**  
**Big Cat Books**

*Year 3*

**Kahoot**  
**Teach Your Monster To Read**

*Year 4*

**Kahoot**

## WHY THESE APPS?

We recommend these apps as they are ones that we use in school staggered throughout the year. The children will become familiar with their layout and they can easily navigate them. Some of the apps can be monitored remotely by the Class Teachers so they can look at the childrens' progress.

## WHAT USER SYSTEM DO THEY REQUIRE?

All of the apps that you have been shown or are in this handout are compatible with Apple and Android devices.

# Other Curriculum

*Reception* **Beebot**

**Adobe Voice**

*Year 1* **BeeBot**  
**Scratch**

*Year 2* **BeeBot**  
**Scratch**
