Illustrator Visit ~ Katie Rewse

Dear Parent/Carer

On Monday 12th November, illustrator and artist, Katie Rewse will be coming into school to share her talents. Katie will spend time with children in Early Years and Year 1 and 2 - demonstrating her artistic techniques and modelling a "live draw". In Years 3 and 4, Katie will lead "I wonder question" sessions about her latest project, "The Garden of Hope".

In the afternoon the whole school will be involved in a collaborative art project where we will create our own school art piece called "Garden of Hope" that will symbolise our school mission statement, 'Inspiring all to learn and grow.'

We are asking for a £1 contribution to help us to fund this valuable learning experience and look forward to sharing the finished art piece with you upon its completion.

Many thanks for your support,

Esther Derrien
Assistant Headteacher for Curriculum and Assessment
