Inspiring all to learn and grow 

28th September 2018

Dear Parents/Carers

The children have just begun their Read Write Inc sessions. They are learning new sounds, how to write them and are practising tuning in to the sounds that they can hear in words. They are really enjoying their learning and are working very hard!

As your child learns a new sound, we would like you to work through their Read Write Inc book with them. Your child will come home with a sticker when they have learnt a new sound. This will ensure that you know the sound we have been learning. For instance, this week your child has come home with sound stickers for m, a, s, d, t, i. Please feel free to explore the sounds with your child in their book in whatever way is most meaningful to them. They may wish to draw pictures, cut out pictures, collect stickers or even stick in real objects like leaves, seeds, sticks, sweet wrappers, wrapping paper, bows. The book belongs to them, so please use it to support their learning in the most meaningful way possible.

You can share their books with us, letting us know how your child is getting on by uploading any pictures and/or videos to Tapestry.

The correct pronunciation is key to your child's learning. Our school website has a video clip which will help you with the pronunciation of sounds. You can find this by clicking on the parents tab on our website. Then select questionnaires and workshops, followed by Information for parents- how to say the sounds.

We would like to take this opportunity to thank you for your support.

Yours sincerely,

Mrs Clark, Mrs Waring, Mrs Burt & Mrs Gillott
