

Admissions to schools

A guide for parents and carers

2019/20

Introduction

Dear parents and carers,

Welcome to the Dorset School Admissions Guide.

Starting or moving school is an important milestone in your child's life and we want to make sure you have all the information you need to help you fill in your application.

We are very proud of our schools in Dorset, but don't just take our word for it, visit your preferred schools and see what they can offer your child. As well as explaining how you apply for a place, this guide also tells you how school places are allocated, when you'll find out the result of your application and what happens next. It is really important that you apply on time and include all the relevant information, as filling in the application form incorrectly could lead to your child not being allocated their preferred place.

We hope you find this guide useful and wish your child all the best for the future.

Andrew Parry

Dorset County Council's Cabinet Member for Education, Learning and Skills

Children with special educational needs or disability

It is not possible for a parent to apply for a place at a special school, within a specialist resource centre or learning centre through this application process.

If your child has an education, health and care plan the school application and placement process will be dealt with through the special educational needs disability team. Parents must contact the special educational needs disability team on **01305 224888**.

The Local Offer website gives further information regarding the local provision for children and young people with a disability or special educational needs. More information can be found on **dorsetforyou.gov.uk/localoffer**

Christchurch Residents and Local Government re-Organisation

Christchurch Residents should apply through Dorset County Council. Applications for children starting school for the first time and those transferring to Junior, Middle or Secondary Schools will be managed by Dorset County Council.

The information provided on your application will be used by Dorset County Council for the purposes of allocating you a school place. In order to ensure that all children are provided with a school place in time for September 2019, this information will also be used by Dorset Council and Bournemouth, Christchurch & Poole Council after the 1st of April 2019 for this purpose.

Apply online:
www.dorsetforyou.gov.uk/school-admissions

Important things to think about:

You can list (in order of preference) up to three schools on your application. Many schools are regularly oversubscribed and there is no guarantee of a place at your catchment, nearest or preferred school, so it is important to think carefully about the schools you are applying for.

Places are offered based on the school's admissions policy, so your child's chances of being offered a particular school are not increased by only naming one school on your application. We strongly advise putting three preferences on your application and we will always try to offer your highest preference school. **We recommend that you name your catchment school as one of your preferences.**

It is important to make realistic school preferences (such as including your catchment school) because priority for a place is given to those who have named the school as a preference on their application form. If we cannot allocate your child a place at any of your preferred schools, they will be offered a place at an alternative school at the end of the allocation process. This could mean travelling a considerable distance if all of your local schools are full.

If you apply for a school which is not your catchment or nearest school (known as 'parental preference') you will be responsible for organising and paying for your child's travel to and from school for the time that they remain at the school, even if your circumstances change. There is also no guarantee of a place for any siblings you later wish to attend this school and no guarantee of a place at a linked (receiver) school, so your child may not transfer with other children in their year group.

Living in or moving into a catchment area, having a sibling link, attending a nursery or attending a feeder school does not guarantee a place at a local/preferred school. You need to be aware of any likely alternative schools which may be offered and the implications of this on your family if you move to an area where schools are full. You can contact the school admissions team to check place availability on **01305 221060**.

Apply online:

www.dorsetforyou.gov.uk/school-admissions

Things to do:

Look at the school's website and prospectus:

These should tell you about the school's aims and objectives, curriculum (subjects studied), policies and out of school activities available. If you do not have internet access, contact the school to request a copy.

Visit the school:

Schools hold open days/evenings so that you can look around the school and meet the staff (dates can usually be found on the school's website). If you would like to visit but are unable to go to an open day/evening, contact the school to arrange a tour with a member of staff.

Read the school's OFSTED report:

The Office For Standards in Education (OFSTED) inspect schools. You can view their most recent inspection reports online at: www.ofsted.gov.uk/reports

If you do not have internet access, contact the school to request a copy.

Read the school's oversubscription policy:

This policy explains how places are allocated when there are more applications for a particular school than places available (this is known as oversubscription). You can find the policies on our website: www.dorsetforyou.gov.uk/school-admissions-policies

Look at the school performance tables:

This information includes details of levels of achievement and attendance. You can search for information relating to a particular school on the Department for Education's website: www.education.gov.uk/schools/performance

Apply online:

What is my catchment school...?

www.dorsetforyou.gov.uk/school-catchment-areas

Dorset school admissions - what I need to know before applying

School organisation

There are two different school organisation systems within Dorset:

Two tier

The two tier system operates

in: Beaminster, Blandford, Bridport, Christchurch and Highcliffe, Gillingham, Lyme Regis, Lytchett and Upton, Purbeck, Shaftesbury, Sherborne, Sturminster Newton and Weymouth and Portland (Chesil)

Primary school

Ages 4-11
Reception – Year 6

Infant school

Ages 4-7
Reception -Year 2

Junior school

Ages 7-11
Year 3 – Year 6

Secondary school

Ages 11-16
(11-18 if the school has a sixth form) Year 7+

Three tier

The three tier system operates

in: Corfe Mullen, Dorchester, Ferndown and West Moors, Wimborne and Cranborne, Verwood. St Ives First School within the Ferndown and West Moors Pyramid is now a Primary School up to Year 6.

First school

Ages 4-9
Reception – Year 4

Middle school

Ages 9 - 13
Year 5 - Year 8

Upper school

Ages 13 - 18
Year 9+

Apply online:

www.dorsetforyou.gov.uk/school-admissions

* 'Pyramids' describe the schools in a given geographical area.

Did you know...?

If you apply online you will receive an email on national offer day confirming the outcome of your application.

Transfer - starting school for the first time, starting junior, middle, secondary or upper school

Transfer applications: Starting school for the first time

When does my child need to start school?

If your child's birth date is between:	Apply for a school place from:	Start school in:
1 September 2014 and 31 August 2015	September 2018	September 2019
1 September 2015 and 31 August 2016	September 2019	September 2020
1 September 2016 and 31 August 2017	September 2020	September 2021
1 September 2017 and 31 August 2018	September 2021	September 2022

- A child is of compulsory school age at the start of the school term following their 5th birthday. Parents have a legal duty to ensure their children receive suitable education, either by regular attendance at school or otherwise (this includes home education).
- There will be a school place available for your child to receive full-time education for the September following their fourth birthday.
- You will need to complete an application form to apply for a school place – it is not enough just to register your child's details with a nursery or school.

Apply online:

www.dorsetforyou.gov.uk/school-admissions

Applying to a non-Dorset school...? You will need to check the other Local Authority's late closing dates

Transfer - starting school for the first time, starting junior, middle, secondary or upper school

Transfer applications: closing dates

You must be a Dorset resident to complete this application form.

If you do not have a confirmed Dorset address but wish to apply for a Dorset school, please apply through the local authority admissions team in the area where you currently live.*

If your child is due to start Secondary or Upper School

Moving to the next age range school in September 2019, (see page 7):

Application Closing Date	31 October 2018
Late Round Closing Date	28 February 2019
After 28 February 2019 please complete an In Year application form. This will be processed as quickly as possible after the late round offer date (29 March 2019).	

If your child is due to start Primary, Infant, Junior or Middle School

(either starting school for the first time in Reception or moving to the next age range school in September 2019, see page 7):

Application Closing Date	15 January 2019
Late Round Closing Date	15 April 2019
After 15 April 2019 please complete an In Year application form. This will be processed as quickly as possible after the late round offer date (17 May 2019).	

Submitting your application by the first closing date gives your child the best possible chance of being offered a place at your preferred school.

Late applications: If you send in your application after the first closing date, you will be considered for a place along with anyone else who has applied late, or is appealing for a place or was refused a place following the original closing date and asked to be added to the waiting list.

Remember: the school may already be full in your child's year group following allocations made in the previous round.

After the late round: If you apply after the late round closing date(s) your application will be considered after the late round offer dates.

Apply online:

www.dorsetforyou.gov.uk/school-admissions

What is my catchment school...?

www.dorsetforyou.gov.uk/school-catchment-areas

Transfer - starting school for the first time, starting junior, middle, secondary or upper school

Before you apply

Useful information

Catchment area:

A geographic area from which children may be given priority for admission to a particular school.

- Children living within a school's catchment area are ranked as a high priority for a place. There is, however, no guarantee of an offer of a place at your catchment school as it may be full or oversubscribed in your child's year group.
- If you do not name your catchment or nearest school as one of your preferences on your application form you are likely to be responsible for organising and paying for your child's school transport.
- To check your catchment school visit www.dorsetforyou.gov.uk/school-catchment-areas - please be aware that this is for guidance only, for confirmation of your catchment school, contact the school admissions team.
- The following schools do not have catchment areas: All Saints CE School (Weymouth), Budmouth College (Weymouth), Dorset Studio School (Dorchester), Parkfield School (Hurn), The Priory CE VA Primary School (Christchurch) and all Voluntary Aided Roman Catholic schools.

Published admission number (PAN):

Each school has an agreed maximum total number of pupils for each of its year groups. This number is based on building space availability or (for some first/primary schools) on legal class size limits and has been agreed by the school's governing body. You can find out the published admission number for a particular school by checking our school pyramids information on pages 42 – 70 of this guide.

It may be possible for a school to exceed the published admission number, but this is considered on a case by case basis and only applies to the following situations:

- For schools which follow Dorset's admissions policy (see pages 33-34), if the last place within the published admission number is given to one of multiple birth siblings (e.g. twins or triplets), the other birth siblings will also be offered a place.
- If an error occurs and the child should have been offered a place.
- If a large group of families with children arrive in the area and it has not been possible to make an offer within the normal allocation of places because of short notice.
- If an unexpected event occurs in a school which means that it is necessary to place children urgently or temporarily into an alternative education provision.

Apply online:

www.dorsetforyou.gov.uk/school-admissions

How do we decide if...

We measure the shortest straight line ("as the crow flies") distance from home address to the school building. We have a geographical mapping system which works out an easting and a northing for both the home and the school and calculates the distance between them. The final place will then be allocated to the person living the shortest distance from the school.

If there are two home addresses exactly the same distance from the school then a person with no connection to Dorset County Council will draw lots to decide who is allocated the final place.

Oversubscription

Where there are more applications for a particular school than there are places available applications are ranked (ordered) according to the criteria they meet and a place offered to the child meeting the highest criteria in the oversubscription policy.

To check the oversubscription criteria for the type of school you are applying for, see the 'Oversubscription Policy' in the Useful information section of this guide (pages 32 to 33).

If you are applying for a school which has its own admissions policy, details of the policy can be found on www.dorsetforyou.gov.uk/school-admissions-policies or by contacting the school.

Ability/aptitude tests:

Some schools offer a certain number of places based on a child's ability or aptitude and have a test to decide who will be offered these places. Budmouth College (Weymouth) and The Woodroffe School (Lyme Regis) are the only Dorset schools who hold these tests, but Grammar schools in neighbouring areas may also hold entrance tests.

- To find out more about this and apply for your child to take the test, contact the school or visit their website for full details of normal year of entry (transfer).
- You will need to complete a school admissions application form before the closing date – applying to take the test is not the same as applying for a school place. The closing date for the test is likely to be earlier than the closing date for school admissions applications.
- Results of the test will be available from the schools before the first admissions application closing date 31/10/18.

Apply online:

www.dorsetforyou.gov.uk/school-admissions

Feeder/receiver schools:

Some junior, middle, secondary and upper schools offer higher priority in their admissions policy to children who have attended a particular first, infant, primary or middle school. The lower age range school is called a feeder school and the higher age range school is a receiver school. Feeder link will be considered where children have been attending during the previous year and are on the school roll at the application closing date.

- Attending a particular pre-school/nursery setting does not guarantee a place at an attached or neighbouring school.
- There is no guarantee of an offer of a place at the receiver school as it may be full or oversubscribed in your child's year group.
- Independent schools are not feeder schools for state maintained schools.
- To find out about feeder/receiver schools in your local area, please see our 'School Pyramids' information on pages 42 to 70 of this guide.

Siblings:

A brother or sister (full, half, foster, step or adopted) living with parent/s or carer/s who are single, married or cohabiting, at the same home address.

- Please provide full details on your application form if your child has a sibling link to the schools you are applying for. We are unable to consider a child as having a sibling link if it has not been clearly stated on your application.
- If there is a shared care arrangement, please send us a copy of a solicitor's letter or Court Order (confirming that the children live together and stating their main carer and home address) as proof that the children are siblings.
- There is no guarantee that any siblings you later wish to attend the school will be offered a place, as the school may be full or oversubscribed in their year group.
- Please see the school's individual admissions policy for further information and details of how to meet their sibling criteria (www.dorsetforyou.gov.uk/school-admissions-policies).

Children in (or previously in) care:

Children who have had a full or interim care order or children who are or have ever been accommodated under Section 20/22 of the Children Act 1989.

- Children who are or have been in care are usually given the highest priority for admission to Dorset schools.
- An application for a child in care should be completed by the person or local authority with responsibility for the child. Evidence that the child is or has ever been in care must be sent with the application form. This should be a copy of the adoption order and confirmation letter from the local authority that last looked after the child.

- Further information is available in our children in care guide, available online at: www.dorsetforyou.gov.uk/children-in-care.

Apply online:

www.dorsetforyou.gov.uk/school-admissions

Apply online: You will receive confirmation when your application has been submitted. You can log on and view your outcome on offer day.

www.dorsetforyou.gov.uk/admissions-view-your-outcome

Transfer - starting school for the first time, starting junior, middle, secondary or upper school

How to apply:

Before making your application, please ensure you have read the 'Important things to think about section' on page 5 of this guide and Useful information pages.

- List up to 3 schools in order of preference. One of these schools should be your catchment school. You'll receive a confirmation email once you've submitted your application.
- You will receive two confirmation emails - one after you have registered your details to verify the account and the second as soon as you have submitted your application. Please keep a safe record of these emails.
- Remember to keep a safe note of your username (the email address you used to register) and your password to access the result of your application. We cannot reset them for you if you forget them.

A paper application form can be requested by contacting **01305 221060** or you may download a paper copy from the Admissions website.

Is there anything else I need to do?

Yes - It is your responsibility to make sure you have sent in all the required evidence along with your application. We can only consider your application based on the evidence you have submitted and will not chase you for additional information.

You may have to complete an additional form if you want to apply to religious schools. This is an extra form (Supplementary Information Form or SIF) and not instead of the application form. For more information see 'Religious, faith or denominational' in the Useful information section of this guide (page 31). You should also view our website

www.dorsetforyou.gov.uk/supplementary-information-forms

Check whether you need to send

Proof of a new address

Copies of passports and visas

Proof of parental responsibility

Medical evidence

Baptismal certificates, letters or supplementary forms for a faith application

Child in care or vulnerable child proof

Apply online:

www.dorsetforyou.gov.uk/school-admissions

Apply online: You will receive confirmation when your application has been submitted. You can log on and view your outcome on offer day.

www.dorsetforyou.gov.uk/admissions-view-your-outcome

Transfer - starting school for the first time, starting junior, middle, secondary or upper school

What if I change my mind?

If you need to change the schools you have applied for or the order in which you have listed them, please complete our Change of Submitted Application form. This can be downloaded from our website, or contact **01305 221060** to request a copy.

Remember:

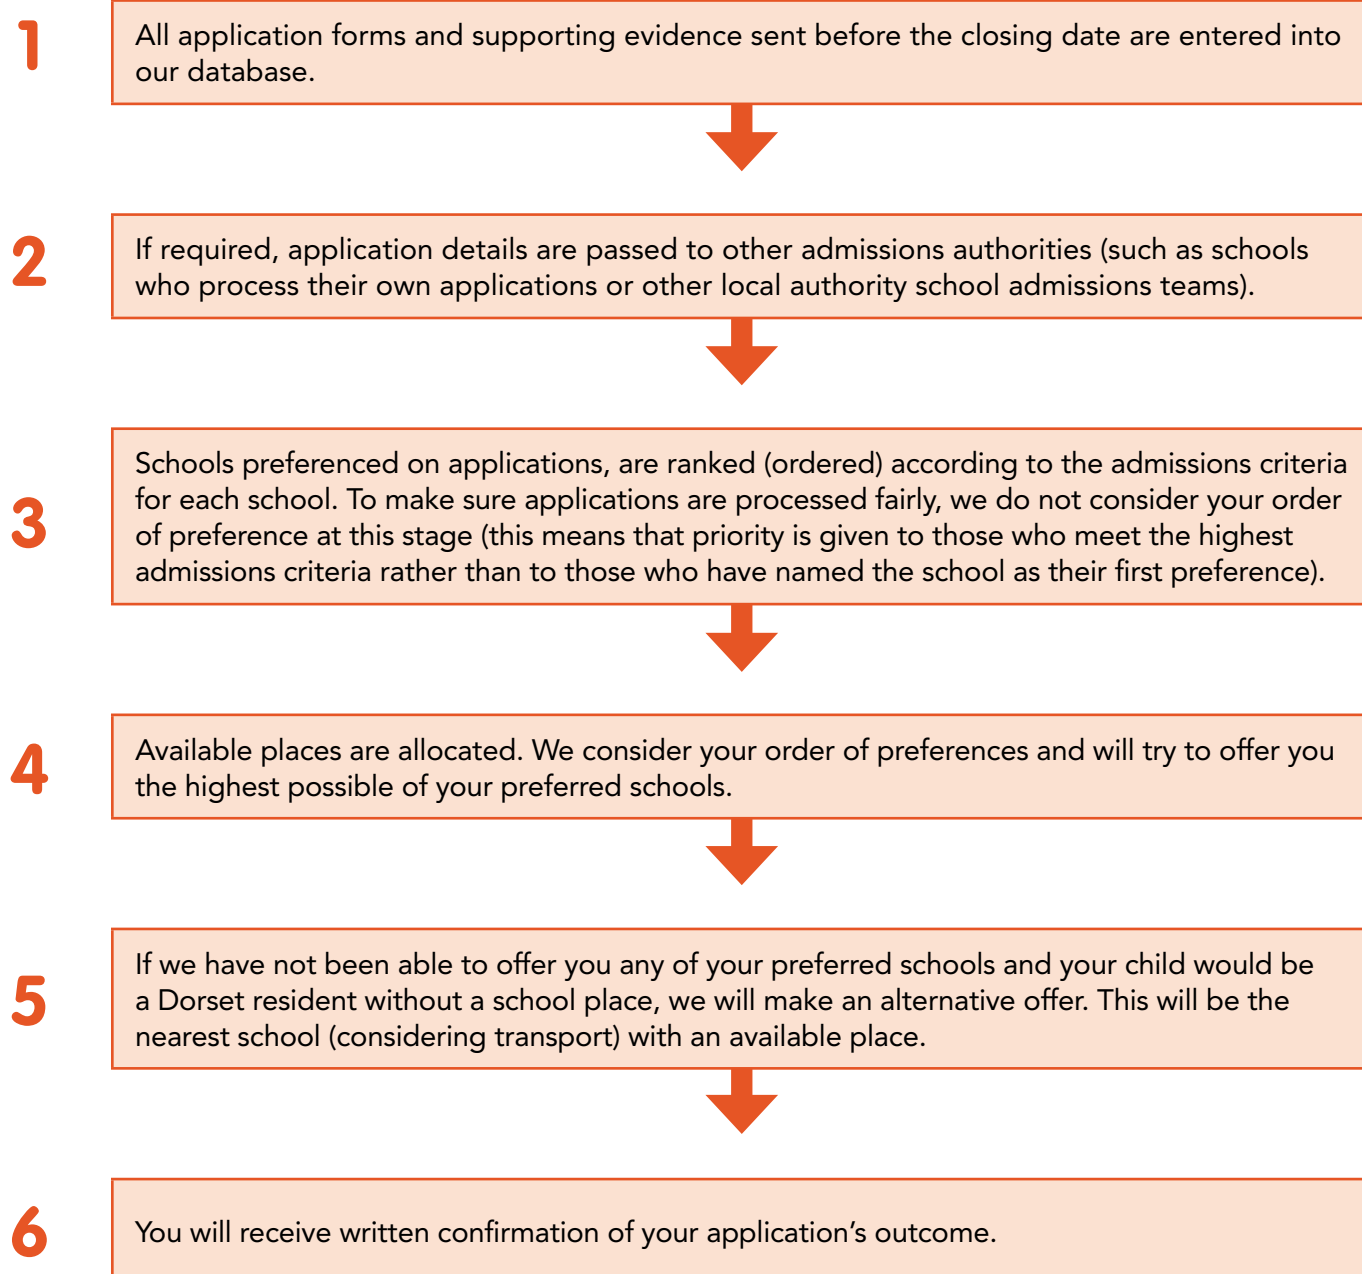

- Your change of preference application must be received by the relevant closing date(s) (see page 10)
- A school may be full in your child's year group and we may not be able to offer your child a place at any of your new preference schools. If we can offer your child a place at any of your new preference schools, we will automatically withdraw the original place offered.

Apply online:

www.dorsetforyou.gov.uk/school-admissions

How are transfer applications processed?

Apply online:

www.dorsetforyou.gov.uk/school-admissions

When will I find out the result of my application?

We will write to advise you of the result of your application and whether you qualify for school transport. This offer letter will be posted first class or emailed on the date shown below:

Transfer and starting school for the first time:

If your child is due to start Secondary or Upper School (moving to the next age range school in September 2019)

Application submitted:	Offer date:
On or before 31/10/2018	01/03/2019
On or before 28/02/2019	29/03/2019
After 28/02/2019	As soon as possible after 29/03/2019

If your child is due to start Primary, Infant, Junior or Middle School (either starting school for the first time in Reception or moving to the next age range school in September 2019)

Application submitted:	Offer date:
On or before 15/01/2019	16/04/2019
On or before 15/04/2019	17/05/2019
After 15/04/2019	As soon as possible after 17/05/2019

If you applied online by 31/10/2018 (secondary and upper school applications) or 15/01/2019 (primary infant, junior or middle school applications), you can log into your online account www.dorsetforyou.gov.uk/admissions-view-your-outcome to view the result of your application.

Important: We are unable to tell anyone the result of their application before the result dates given above.

If you decide that you would like your child to attend an induction day before you have been notified of the outcome of your application, this is done entirely at your risk.

Apply online:
www.dorsetforyou.gov.uk/school-admissions

What should I do next?

Waiting lists:

- You can only request for your child to be added to a particular school's waiting list if you have already applied for and been refused a place at this school.
- Once added to the waiting list, your child's name will remain on the list for the Autumn term only. Please confirm in writing before the start of the Spring school term if you would like your child's name to remain on the list. If the school has a waiting list, your child's name will remain on the list for the Spring and Summer terms.
- If a place becomes available, those on the waiting list will be considered along with any current applications and anyone with a pending appeal hearing. The place will be offered according to the relevant admissions policy.
- The children meeting the highest admission criteria for a particular school are placed at the top of the waiting list. This means that your child's position on the waiting list can change regularly, as it does not operate on a "first come, first served" basis.
- We will contact you immediately if we are able to offer your child a place.

Withdrawing an offer:

An offer will only be withdrawn if:

- It was based on an application that was fraudulent or deliberately misleading.
- It was made in error.
- It was made by someone who did not have the authority to offer a school place.
- A parent (having been issued with reminders from the school or admissions team and made aware of the consequences) failed to accept their school place within one week of the final reminder. This includes failure to respond to contact from the school regarding transition arrangements/"taster" sessions.
- We receive written confirmation from a parent that they wish to decline the school place offered.

Declining an offer:

If you decide to decline the place offered you must:

- **confirm this in writing** to the school admissions team (either by email or post)
- advise us of the alternative educational arrangements you have made

Your offer will then be withdrawn and the place may be offered to another child.

Apply online:

www.dorsetforyou.gov.uk/school-admissions

Appealing a decision

School admissions appeals:

If your child is not offered a place at your preferred school, you can submit an appeal against this decision to an independent appeals panel.

Important: Accepting a place at an alternative school will not in any way affect an appeal for your chosen school.

Infant Class Size Restrictions: If you are appealing for a place for a child in Reception, Year 1 or Year 2 at a school which operates a class size of 30, this is known as an Infant Class Size appeal and is different to a standard appeal. Your refusal letter will make clear whether your appeal would be considered as an Infant Class Size appeal. **It is very rare for Infant Class Size appeals to be allowed.**

Further information about the school admissions appeals process (including a guide to appeals, timetable and application forms) can be found on our website:

www.dorsetforyou.gov.uk/school-appeals or by contacting the Democratic Services team on **01305 224188**.

Some schools have their own independent appeals panels. Check if this applies to the school you are appealing for on their website. If it does, you should contact the school directly about appealing for a place.

Apply online:

www.dorsetforyou.gov.uk/school-admissions

Apply online: You will receive confirmation when your application has been submitted.

www.dorsetforyou.gov.uk/school-admissions

In Year - moving school part way through the school year

In Year Applications:

If your child is moving into an existing year group, for example changing schools because of a house move or moving from one primary school into another primary school:

We do not encourage moving from one local school to another school mid-year because research shows it can have a negative effect on a child's progress.

Consider whether it is necessary to move schools and speak to your child's current school before completing an application. If your child has already started their exam courses, it is unlikely that another school will be able to match your child's options or exam boards, which may affect their final grades.

- **You may make an In Year application at any time of year as there are no closing dates for this type of application.**
- **You do not need to be a Dorset resident to complete this type of application form.** However, if you are applying for a school in another county, please contact their school admissions team (see page 41 for neighbouring local authority contact details).
- **Some schools process their own applications.** Check whether the school is "managing own in years" in the 'Schools Pyramids' information starting on page 42 of this guide. If it is, you should contact the school directly to enquire about a place for your child.
- **Please note we do not process applications for post-16 students (sixth-form, college or training)** rather you should contact the school or college directly for further information.
- Applications will be processed no more than half a term in advance of date place requested. If you are applying for a place for September 2019 your application will be considered from June/July 2019.
- We aim to process applications as quickly as possible but please note that constraints such as school holidays and requiring information from schools can delay processing applications.
- Once a place has been offered, we expect it to be taken up within 15 school days of your requested start date.

Apply online:

www.dorsetforyou.gov.uk/school-admissions

How to apply:

Before making your application, please ensure you have read the 'Important things to think about section' on page 5 of this guide.

- List up to 3 schools in order of preference. One of these schools should be your catchment school. You'll receive a confirmation email once you've submitted your application.
- You will receive two emails - one after you have registered your details to verify the account and the second as soon as you have submitted your application. Please keep a safe record of these emails.

A paper application form can be requested by contacting **01305 221060** or you may download a paper copy from the Admissions website.

Oversubscription policy:

Where there are more applications for a particular school than there are places available applications are ranked (ordered) according to the criteria they meet and a place offered to the child meeting the highest criteria in the oversubscription policy.

To check which type of school you are applying for more information about oversubscription criteria, see the relevant section in this guide (pages 32 to 33).

If you are applying for a school which has its own admissions policy, details of the policy can be found on **www.dorsetforyou.gov.uk/school-admissions-policies** or by contacting the school.

Apply online:

www.dorsetforyou.gov.uk/school-admissions

Before you apply - useful information

Catchment area:

A geographic area from which children may be given priority for admission to a particular school.

- Children living within a school's catchment area are ranked as a high priority for a place. There is, however, no guarantee of an offer of a place at your catchment school as it may be full or oversubscribed in your child's year group.
- If you do not name your catchment or nearest school as one of your preferences on your application form you are likely to be responsible for organising and paying for your child's school transport.
- To check your catchment school visit www.dorsetforyou.gov.uk/school-catchment-areas - please be aware that this is for guidance only, for confirmation of your catchment school, contact the school admissions team.
- The following schools do not have catchment areas: All Saints CE School (Weymouth), Budmouth College (Weymouth), Dorset Studio School (Dorchester), Parkfield School (Hurn), The Priory CE VA Primary School (Christchurch) and all Voluntary Aided Roman Catholic schools.

Published admission number (PAN):

Each school has an agreed maximum total number of pupils for each of its year groups. This number is based on building space availability or (for some first/primary schools) on legal class size limits and has been agreed by the school's governing body. You can find out the published admission number for a particular school by checking our school pyramids information on pages 42 – 70 of this guide.

It may be possible for a school to exceed the published admission number, but this is considered on a case by case basis and only applies to the following situations:

- For schools which follow Dorset's admissions policy (see pages 33-34), if the last place within the published admission number is given to one of multiple birth siblings (e.g. twins or triplets), the other birth siblings will also be offered a place.
- If an error occurs and the child should have been offered a place.
- If a large group of families with children arrive in the area and it has not been possible to make an offer within the normal allocation of places because of short notice.
- If an unexpected event occurs in a school which means that it is necessary to place children urgently or temporarily into an alternative education provision.

Apply online:

www.dorsetforyou.gov.uk/school-admissions

Is there anything else I need to do?

Yes - It is your responsibility to make sure you have sent in all the required evidence along with your application. We can only consider your application based on the evidence you have submitted and will not chase you for additional information.

Check whether you need to send*
Proof of a new address
Copies of passports and visas
Proof of parental responsibility
Medical evidence
Baptismal certificates, letters or supplementary forms for a faith application
Child in care or vulnerable child proof
Information about siblings already on roll or with pending applications

* For more information, see the relevant sections in the 'Useful information' pages of this guide.

What if I change my mind?

If you need to change the schools you have applied for or the order in which you have listed them, please complete our Change of Submitted Application form. This can be downloaded from our website, or contact 01305 221060 to request a copy.

Remember:
A school may be full in your child's year group and we may not be able to offer your child a place at any of your new preference schools.

After the outcome of your application:

We will contact you to confirm the result of your application. If you have been refused a place, we will explain the options available.

Apply online:
www.dorsetforyou.gov.uk/school-admissions

In year fair access:

This is where an independent panel ensures that children who have no school place and meet the criteria set out in the In Year Fair Access policy quickly have access to education.

Further information is available on our website:
www.dorsetforyou.gov.uk/school-admissions-policies

What should I do next?

Waiting lists:

- You can only request for your child to be added to a particular school's waiting list if you have already applied for and been refused a place at this school and the school holds a waiting list.
- If a place becomes available, those on the waiting list will be considered along with any current applications and anyone with a pending appeal hearing. The place will be offered according to the relevant admissions policy.
- The children meeting the highest admission criteria for a particular school are placed at the top of the waiting list. This means that your child's position on the waiting list can change regularly, as it does not operate on a "first come, first served" basis.
- We will contact you immediately if we are able to offer your child a place.

Withdrawing an offer:

An offer will only be withdrawn if:

- It was based on an application that was fraudulent or deliberately misleading.
- It was made in error.
- It was made by someone who did not have the authority to offer a school place.
- A parent (having been issued with reminders from the school or admissions team and made aware of the consequences) failed to accept their school place within one week of the final reminder. This includes failure to respond to contact from the school regarding transition arrangements/"taster" sessions.
- We receive written confirmation from a parent that they wish to decline the school place offered.

Apply online:

www.dorsetforyou.gov.uk/school-admissions

Appealing a decision

School admissions appeals:

If your child is not offered a place at your preferred school, you can submit an appeal against this decision to an independent appeals panel.

Important: Accepting a place at an alternative school will not in any way affect an appeal for your chosen school.

Infant Class Size Restrictions: If you are appealing for a place for a child in Reception, Year 1 or Year 2 at a school which operates a class size of 30, this is known as an Infant Class Size appeal and is different to a standard appeal. Your refusal letter will make clear whether your appeal would be considered as an Infant Class Size appeal. **It is very rare for Infant Class Size appeals to be allowed.**

Further information about the school admissions appeals process (including a guide to appeals, timetable and application forms) can be found on our website:

www.dorsetforyou.gov.uk/school-appeals or by contacting the Democratic Services team on **01305 224188**.

Some schools have their own independent appeals panels. Check if this applies to the school you are appealing for on their website. If it does, you should contact the school directly about appealing for a place.

Apply online:

www.dorsetforyou.gov.uk/school-admissions

Useful information

Home address:

The address where a child resides all or the majority of school days/weeks.

If there is dispute over a child's home address, we will use the address to which Child Benefit is paid. If Child Benefit is not received, we will use the home address given on the child's General Practitioner (doctor's) record. Please refer to the parental responsibility section (page 28) for information about who should complete a child's application form in cases of shared care.

Remember:

Please make it clear on your application whether you are applying from your current or your new address. We can only base your application on a new address if you have supplied us with appropriate evidence of this address.

- If you move address after submitting your application, you must send us evidence of your new address in order for us to process your application based on this address. Your application will be based on your confirmed address at the closing date.
- If you move address before your child starts at their new school, please tell us your new address and date of move so that we have correct contact details for you and can reassess any transport entitlement

UK residents

Important: If you or your child have recently moved or are due to move into or within Dorset, you must send us evidence of your new address. This should be one of the following:

Type of house move	Evidence we need
Property sale	A solicitor's letter confirming exchange of contracts on your property sale and purchase.
Property rental	A copy of your new tenancy agreement (giving property address, date, duration of tenancy), signed by yourself and your new landlord as well as notice to quit your current property. The new tenancy agreement must be signed and dated before the closing date, but can have a start date later than the closing date.
Moving to live with a friend or relative	A letter from your friend/relative confirming the arrangements and date that you will be moving to live with them as well as proof of their address (such as a recent council tax or utility bill). Your application can only be based on this address once you are actually living there.
Child moving from one parent/carer to live with another on a long-term basis	Written confirmation from both parents (or from parent/previous carer and new carer) of the new arrangements as well as proof of the new address (such as a copy of a recent council tax or utility bill).
Armed services or crown servants	Posting order or official letter stating the date you are due to move and unit postal address or quartering area.
Domestic abuse/violence refuge	Written confirmation (from refuge staff) that you are living in the refuge due to domestic abuse/violence.

Apply online:

www.dorsetforyou.gov.uk/school-admissions

Moving to live in the UK?

- If you are a British citizen living abroad or a citizen of the European Economic Area, you need to send us copies of passports or citizen cards, proof of a UK address where you will be resident and date of arrival in the UK for yourself and your child. We can process your application as soon as we have received these.
- If you are a citizen from a country outside the European Economic Area, you need to send us copies of passports, appropriately endorsed visas, proof of a UK address where you will be resident and date of arrival in the UK for yourself and your child. We can only process your application once your child is living in the UK. Original passports and visas must be shown at the school when your child starts.
- We will process applications from asylum seekers on a case by case basis, working with other agencies as necessary.

UK Service Personnel

- In line with Dorset County Council policy, school admissions will work within the Armed Forces Covenant. If you think that the AFC will apply to you, then please ensure you make it clear on your application for a school place and for school transport.

In year applications only:

- If there is a need to comply with other agreed policies such as children in care, or In year fair access and Armed Forces Covenant.
- If no other school would provide suitable education within a reasonable distance of the home (based on journey time to any possible alternative schools – see our School Transport policy for further information).

We will comply with other policies and codes such as The Armed Forces Covenant www.dorsetforyou.gov.uk/school-admissions-policies and Special Educational Needs legislation.

Apply online:

www.dorsetforyou.gov.uk/school-admissions

Parental Responsibility

Certain legal rights, duties, powers, responsibilities and authority relating to care of a child.

- We will only consider one school admissions application. This should be completed by the person with parental responsibility who has care of the child for the majority of school days/ weeks (unless a Court Order states differently). If there is joint parental responsibility, you must indicate on the application that all those with parental responsibility are aware of and agree to the application being made.
- Information about parental responsibility is available online at **www.gov.uk/parental-rights-responsibilities**.
- Please refer to the Home Address section (page 26) for information about how we decide on a child's home address in cases of shared care.
- We will only discuss the application with the person(s) shown to have parental responsibility for the child, unless we have formal permission to contact another nominated person (such as a social worker, translator or other family member).
- In all cases, we have the right to request evidence and/or to take legal advice before processing an application.

Important: If a child lives with someone other than a close relative for 28 days or more, legally, Children's Services must be informed 01305 221498.

Catchment area:

A geographic area from which children may be given priority for admission to a particular school.

- Children living within a school's catchment area are ranked as a high priority for a place. There is, however, no guarantee of an offer of a place at your catchment school as it may be full or oversubscribed in your child's year group.
- If you do not name your catchment or nearest school as one of your preferences on your application form you are likely to be responsible for organising and paying for your child's school transport.
- To check your catchment school visit **www.dorsetforyou.gov.uk/school-catchment-areas** - please be aware that this is for guidance only, for confirmation of your catchment school, contact the school admissions team.
- The following schools do not have catchment areas: All Saints CE School (Weymouth), Budmouth College (Weymouth), Dorset Studio School (Dorchester), Parkfield School (Hurn), The Priory CE VA Primary School (Christchurch) and all Voluntary Aided Roman Catholic schools.

Apply online:

www.dorsetforyou.gov.uk/school-admissions

Feeder/receiver schools:

Some junior, middle, secondary and upper schools offer higher priority in their admissions policy to children who have attended a particular first, infant, primary or middle school. The lower age range school is called a feeder school and the higher age range school is a receiver school. Feeder link will be considered where children have been attending during the previous year and are on the school roll at the application closing date.

- Attending a particular pre-school/nursery setting does not guarantee a place at an attached or neighbouring school.
- There is no guarantee of an offer of a place at the receiver school as it may be full or oversubscribed in your child's year group.
- Independent schools are not feeder schools for state maintained schools.
- To find out about feeder/receiver schools in your local area, please see our 'School Pyramids' information on pages 42 to 70 of this guide.

Children in (or previously in) care:

Children who have had a full or interim care order or children who are or have ever been accommodated under Section 20/22 of the Children Act 1989.

- Children who are or have been in care are usually given the highest priority for admission to Dorset schools.
- An application for a child in care should be completed by the person or local authority with responsibility for the child. Evidence that the child is or has ever been in care must be sent with the application form. This should be a copy of the adoption order and confirmation letter from the local authority that last looked after the child.
- Further information is available in our children in care guide, available online at: **www.dorsetforyou.gov.uk/children-in-care**.

Apply online:

www.dorsetforyou.gov.uk/school-admissions

Siblings:

A brother or sister (full, half, foster, step or adopted) living with parent/s or carer/s who are single, married or cohabiting, at the same home address.

- Please provide full details on your application form if your child has a sibling link to the schools you are applying for. We are unable to consider a child as having a sibling link if it has not been clearly stated on your application.
- If there is a shared care arrangement, please send us a copy of a solicitor's letter or Court Order (confirming that the children live together and stating their main carer and home address) as proof that the children are siblings.
- There is no guarantee that any siblings you later wish to attend the school will be offered a place, as the school may be full or oversubscribed in their year group.
- Please see the school's individual admissions policy for further information and details of how to meet their sibling criteria (www.dorsetforyou.gov.uk/school-admissions-policies).

Children of UK service personnel:

UK service personnel or crown servants

- Dorset County Council complies with the Armed Forces Covenant.
- For families of service personnel with a confirmed posting to the area or crown servants returning from overseas to live in the area, we will allocate a place in advance of a family's arrival in the area.
- In order to do so, we require an official letter giving a relocation date and unit postal address/quartering area address for a service child.
- Children of UK service personnel may also be an exception to the published admission number of a school.

www.dorsetforyou.gov.uk/admissions-armed-forces-policy

Apply online:

www.dorsetforyou.gov.uk/school-admissions

Religious, faith or denominational:

Some schools offer higher priority in their admissions criteria for applications made on religious/faith grounds.

- **Important:** Please check the admissions policy of the school you wish to apply for. Each policy will clearly state the evidence you need to send in order for us to consider your application under religious /faith criteria. It will also show whether the school would like you to complete a supplementary information form.
- Supplementary information forms (also known as SIFs) are used by schools to confirm your connection with a particular religious faith. These forms can be downloaded from the following page on our website: **www.dorsetforyou.gov.uk/supplementary-information-forms** and should be returned directly to the school.

Medical needs or disability:

The local authority is all inclusive and will meet all legislative requirements to accommodate children within their educational setting as appropriate to their need.

- If your child has special educational needs, a disability or a medical condition that requires special adaptations, equipment or management (but does not have an education, health and care plan or a statement of special educational needs) you should contact prospective schools to discuss the facilities and support available. SEND Information Advice and Support Service may be able to help and further information about this service can be found by visiting www.dorsetforyou.gov.uk or by telephoning 01305 221000.
- If you are applying for a particular school on exceptional medical grounds, you will need to provide written evidence in support of your application from an appropriate health professional stating that your preferred school is the only school that can meet the defined needs of your child.

The Local Offer website gives further information regarding the local provision for children and young people with a disability or special educational needs.

More information can be found on **dorsetforyou.gov.uk/localoffer**

Apply online:

www.dorsetforyou.gov.uk/school-admissions

Oversubscription policy:

This explains how places are allocated when there are more applications for a particular school than there are places available.

Applications are ranked (ordered) according to the criteria they meet and a place offered to the child meeting the highest criteria in the oversubscription policy.

Community and Voluntary Controlled Schools

Dorset County Council is the admission authority for these schools, therefore the schools use Dorset County Council admissions policy .

Foundation, Voluntary Aided, Trust Foundation, Academy, Free School, Studio School. The governors of these schools are responsible for setting their own admission policies. These schools may choose to use Dorset County Council's admissions policy or develop their own admissions policy:

To check which type of school you are applying for, see the 'category' column in our published schools directory on pages 31 to 58 of this guide. If you are applying for a school which has its own admissions policy, details of the policy can be found on www.dorsetforyou.gov.uk/school-admissions-policies or by contacting the school.

Rank	Dorset County Council Oversubscription Policy	Further informaton
Highest 1	Children who are or have been in care or are looked after by the local authority	Page 33 (footnote 1)
2	Children who the authority accepts have an exceptional medical or social needs and where there is a need for a place at one specific school	Page 33 (footnote 2)
3	Children who live within the school's catchment area and will have a sibling attending the school at the time they would be due to start	Pages 28 & 30 & 33 (footnote 3)
4	Children living in the school's catchment area who are attending the preferred school's recognised maintained feeder school during the previous year and are on that school's roll at the time of application.	Pages 28 & 29 & 33 (footnote 4)
5	Children living within the school catchment area	Page 28
6	Children living outside the school's catchment area who will have a sibling attending the school at the time of admission	Pages 28 & 33 (footnote 3 & 5)
7	Children living outside the catchment area who attend the preferred school's recognised feeder school during the previous year at the time of the application	Pages 29 & 33 (footnote 5)
8	Children living outside the school's catchment area who wish to attend a Church of England voluntary controlled school on religious/faith grounds	Page 33 (footnote 6)
9	Children of staff who have at least two years continuous service at the school or have been recruited to meet a demonstrable skills shortage at the closing date of the application and intend to still be employed at the school at the time their child would be due to start. The term "children" includes those non-blood related but resident through marriage, civil partnerships or family cohabitation	Page 33 (footnotes 7 & 8)
10	All other children living outside the catchment area (known as distance criteria)	Page 28

Apply online:

www.dorsetforyou.gov.uk/school-admissions

Oversubscription policy footnotes:

1. A "Child in Care" means any child who is in the care of a local authority in accordance with Section 22 (1) of the Children Act 1989. A child who was "previously a Child in Care" means a child who after being Looked After became subject to an Adoption Order under Section 46 of the Adoption and Children Act 2002, a Residence Order under Section 8 of the Children Act 1989 or Special Guardianship Order under Section 14A of the Children Act 1989.
2. Applications will only be considered under this category if there is evidence provided such as a Child Protection Order, Children in Need document or a written statement from a doctor, social worker or other relevant independent professional. The information must confirm the exceptional medical or social need and demonstrate how the specified school is the only school that can meet the defined needs of the child. The local authority is all inclusive and will meet all legislative requirements to accommodate children within their educational setting as appropriate to their need.
3. The term 'sibling' means full brother or sister, half or step brother or sister, adoptive brother or sister and other non-blood related children who live with married or cohabiting parents in the same household and relates to all year groups provided by the school. In the case of an infant school the sibling link will apply to the related junior school and vice versa. Sibling link will only be considered if it is clearly stated on the application form.
4. This feeder school criteria only applies to children attending the recognised feeder Infant School and are applying to the recognised receiver Junior School. This applies to Mundeford Infant & Junior School, Christchurch Infant & Junior School, Upton Infant & Junior School and Wyke Regis Infant & Junior School.
5. This does not include independent schools, pre-schools or nurseries.
6. In order to qualify for consideration under this category, parents/guardians will need to show that at least one adult family member and the child to whom the application relates to have been attending their local church at least once a month for a minimum of a year prior to the closing date for applications. The application must also be supported by a written statement from the vicar/priest/minister or leader of the church confirming this.
7. The term 'children' includes full, half, step, adopted and those non-blood related but resident through marriage, civil partnerships or single family co-habitation arrangements at the time of application or deadline.
8. Staff are defined as all Dorset County Council employed teaching and support staff at the preferred school. 'Children of staff' refers to situations where the staff member is the natural parent, the legal guardian or a resident step parent. If applicants wish to be considered under this criterion then a letter from the Headteacher confirming the above applies to the applicant must be provided at the time of application.

Apply online:

www.dorsetforyou.gov.uk/school-admissions

Compulsory school age:

A child is of compulsory school age on the prescribed day following his/her fifth birthday (or on his fifth birthday if it falls on the prescribed day). The Prescribed Days are 31 December, 31 March and 31 August.

A child is entitled to a full time place in the September following their fourth birthday.

Attending school part-time:

You can request for your child to go to school part-time until he or she is of compulsory school age, when they must then attend school full time. Please contact the school directly to discuss this option, as your child's start date must be agreed with the Headteacher.

Delaying a child's entry to school:

Your child's school start date can be delayed (known as deferred entry) until he or she reaches compulsory school age or until the start of the final term of the academic year for which the place was offered - whichever comes first. Please contact the school directly to discuss this option, as your child's start date must be agreed with the Headteacher.

The vast majority of children start school full time in September, as it is beneficial for all pupils to undergo the induction process and establish friendships within the group.

It is a parent's responsibility to ensure that a child of compulsory school age takes up the place that has been offered by the relevant prescribed date.

If a child whose fifth birthday falls after the start of the final term of the academic year and the child has not taken up the place by this date, the place will be withdrawn and the family will be responsible for applying for a new school place.

Apply online:

www.dorsetforyou.gov.uk/school-admissions

Summer born protocol:

The term 'summer born' is used to refer to children born from 1 April to 31 August. These children are not required to start school until a full school year after the point at which they could first have been admitted.

Families of 'summer born' children may request that they do not start school in reception until after their fifth birthday - i.e. a year after they would normally enter school. If a child joins a reception class after their 5th birthday, parents and schools must be aware that children are obliged to attend full time from that point. This may be different to the majority of the 4 year olds in the class that may be attending part-time as part of an integration process.

We would advise all parents to make an application for a normal year of entry (for those born between 1 September 2014 and 31 August 2015 normally starting school in September 2019).

If a family wishes to apply for a school place for the following year - (i.e. September 2020 entry) they must have a discussion with all of the schools that they may state a preference for and submit the relevant form (BYSB001) that is found in the Guidance on placing a child outside of his or her age group. This must be done for each school that the family are considering as a preference. Please read the 'Guidance on the Placement of a Pupil Outside His or Her Age Group' which can be found at:

www.dorsetforyou.gov.uk/school-admissions-policies

If a family has already made an application for September 2019 start, this application will be withdrawn and the family will have to make a new application in September 2019 for a September 2020 start.

If a family decides to delay a child's entry under the Summer Born protocol after the National Offer Day (16 April 2019) any place offered will be withdrawn and a new application will have to be made the following year. There is no guarantee that the subsequent offer of a place will be the same.

If a family defers entry to reception, and then decides after the 15 January closing date (for the next academic year applications) that they want to be considered under the Summer Born protocol for the next academic year, the place they hold will be withdrawn and they will have to make a new application which will only be considered in the late round. There is no guarantee that they will be offered a place at the same school.

Apply online:

www.dorsetforyou.gov.uk/school-admissions

Back or forward yearing:

This is when a child is educated in a year group outside of their normal age group, with children who are either a year younger or a year older than themselves.

- There are long term issues for the pupil and school that arise from the decision to back or forward year a pupil. Dorset's policy states that children should, wherever possible, be educated within their normal age group.
- If you believe your child would benefit from being educated outside of their normal age group, please approach the Headteacher of their current school to discuss the options available.
- If are interested in back or forward yearing a child who has not yet started school, you should apply for a school place to ensure that you meet the closing date (see page 19) and approach the Headteacher of the school you are considering for advice.
- If you are moving to the area and your child has already been moved back or forward a year, please state this clearly on your application form. We will require confirmation of this from your child's current school.
- Further information is available on our website:
www.dorsetforyou.gov.uk/school-admissions-policies

Apply online:

www.dorsetforyou.gov.uk/school-admissions

Post 16 (sixth form, college, training)

School leaving age:

Since summer 2015 young people in England are required by law to continue in education or training until their 18th birthday. Young people have a choice about how they continue in education or training once they finish Year 11, this could be through:

- Full-time study in a school, college or with a training provider
- Full-time work or volunteering combined with part-time education or training
- An apprenticeship

You can find out more about the raising of the education participation age on the Department for Education website: **www.education.gov.uk**

Sixth forms and further education colleges:

Further education colleges and school sixth forms offer a range of A Level, vocational and other course. Each sixth form and college will have its own admissions policy, admissions number for external applicants and entry requirements.

Please contact the school or college directly for further information or to apply for a place for your child – school sixth forms and colleges process their own applications.

Dorset County Council does not provide any free transport to these pupils attending sixth form.

Full details on Post 16 transport can be found in the Post 16 Home to School transport policy: **www.dorsetforyou.gov.uk/school-transport**

Apply online:

www.dorsetforyou.gov.uk/school-admissions

Schools with Year 10 points of entry

Students who are due to enter Year 10 in September 2019 should also be aware of other opportunities within the area. There are 3 University Technical Colleges or Studio Schools where they have courses that start in Year 10.

University Technical Colleges are set up by universities and businesses and specialise in one or two technical subjects. At GCSE they offer a similar curriculum to a typical secondary or upper school, including the basics of English and Maths, as well as their specialist subject. You should also look at the GCSE curriculum at your child's current school, to help consider what the best option is for the next two years of your child's education.

All schools have a statutory duty to secure impartial careers guidance for all Year 8 to Year 13 students to inspire young people to fulfil their potential and to make them aware of all opportunities open to them. We strongly recommend that your child discuss their options with a Careers Adviser in their current school or college.

For more information on the courses and how to apply please contact these institutions directly.

UTC or Studio School Name	Address	Website
South Wiltshire University Technical College	South Wiltshire UTC, Wilton Road, Salisbury, SP2 7EU Tel: 01722 444000	www.wiltshire-utc.co.uk

How does school transport work...?

www.dorsetforyou.gov.uk/school-transport

Useful information -
glossary

School transport information

Full details on Home to School Transport can be found in a separate guide available on our website www.dorsetforyou.gov.uk/school-transport.

If your child has an Education, Health and Care plan or a Statement of Special Educational Needs, please contact the Special Educational Needs Disability team (01305 224888) to apply for or discuss school transport.

Entitled (free) school transport

When we write to tell you the outcome of your application for a school place, we will also let you know whether you are entitled to free transport.

Distance:

Some children are automatically entitled to free transport, either based on distance from the school or the safety of the route between home and school. The table below shows which children qualify based on distance from the school:

Start of:	End of:	School type:	Distance from school	Measured by:
Reception	Year 4	Catchment or nearest	2 or more miles	Shortest walking distance
Year 5	Year 11	Catchment or nearest	3 or more miles	Shortest walking distance

Travelling to a school which is not your catchment or nearest school...?

If you apply for a school which is not your catchment or nearest school (known as 'parental preference') you will be responsible for organising and paying for your child's travel to and from school for the time that they remain at the school, even if your circumstances change. For more information go to:

www.dorsetforyou.gov.uk/school-transport

Apply online:

www.dorsetforyou.gov.uk/school-admissions

Maximum working tax credits or free school meals:

If you claim maximum level working tax credits or free school meals, you may qualify for free school transport if your child is in:

- **Years 5 or 6** and attending their catchment or nearest school with a home address two or more miles (shortest walking distance) from the school.
- **Years 7 - 11** and attending one of their three nearest schools, with a home address more than 2 miles (shortest walking distance) but less than 6 miles (shortest driven route) from the school.
- **Year 7 - Year 11** and attending their nearest religious/faith school which you applied for on religious/faith grounds and with a home address between 2 miles (shortest walking distance) and 15 miles (shortest driven route) from the school.

To apply for this transport, you will need to complete an application form (available from www.dorsetforyou.gov.uk/school-transport) and send recent evidence of your maximum working tax credit or free school meal entitlement.

Footnote 1: Some children from Hampreston CE VA First School at the age of 9+ may seek admission to St Michael's CE VA Middle School on denominational grounds.

Footnote 2 : At the age of 13+ parents living in the Verwood area are given the opportunity to express a preference for their child to attend Ferndown Upper School or Queen Elizabeth's School as their catchment area school.

Footnote 3: St. Ives Primary School - The School is fully operating as a Primary School. Parents may still apply to join a Middle School at the end of Year 4 and will have to make an application. Alternatively parents may wish to remain at the school and then at the end of Year 6 make an application for a Year 7 place in another school.
