**Anglo Saxons
Summer 2
2019**

English

Children will be continuing to develop their creative writing skills in composition, grammar and vocabulary. They will be looking at the structure of short fiction stories and creating their own pieces using a similar format. They will continue to hone their editing skills by producing final drafts and presenting them to their peers.

In preparation for our end of year performance, pupils will be studying the structure of play scripts and planning the content of the production.

Drama and Music

The children will be rehearsing for their show stopping performance. Once their scripts have been created children will be focusing on their spoken language to ensure their voices are clear and projected.

Samba Percussion in classes continues this term and the children are very much looking forward to their performance. They will be looking a rhythm, pitch and tone.

RE

The children will be reflecting on the School's Vision and understanding how it applies to them and developing them morally and spiritually.

Geography and History

Children will study where the Anglo Saxons invaded and their impact on the United Kingdom. Children will look at the legacy of the Anglo Saxons and how they influenced Britain in language and art.

PE

In PE, the children will begin to recognise the elements of REAL PE programme in preparation for Sports day, developing the whole child through cognitive, creative, personal, social, physical and health and fitness skills.

Maths

Time

This term the children will be looking at time. They will read, write and convert time between analogue and digital 12 and 24 hour clocks. The children will solve problems involving converting from hours to minutes, minutes to seconds, years to months and weeks to days. T

Division

The children will recall multiplication and division facts for multiplication tables up to 12 x 12. They will divide two-digit and three-digit numbers by a one-digit number using a formal written layout.

As part of their division topic, children will solve word problems to demonstrate their knowledge and understanding.

Transition for next year

The children will be attending another Science Transition at St. Osmund's where they will participate in a series of investigations designed to introduce them to the style of learning in middle school.

To support the transition process, the children will be attending a Transfer Day on Thursday 4th July to their new school.
