

Choose which tasks you would like to complete each week. You can bring your learning to school at any time. Remember to include at least one task from each level over the half term. You can record your ideas in all sorts of ways. Here are some suggestions - paintings, models, photographs, writing, sound recordings, charts, collage. Have fun!

Tricky

- Write a fact file about a creature that lives in the ocean.
- Learn and recite a seaside poem.
- Write a seaside adventure story.
- Design and make a healthy summer drink to enjoy at the beach. Use a measuring jug to measure out the ingredients.

Moderate

- Make or draw a seaside creature.
- Write seaside jokes.
- Make a seaside habitat and label the plants and animals that live there.
- Learn the two, five and ten times table ready for your Bronze Award!

Easy

- Make an amazing sandcastle with a moat!
- Write a postcard after an imaginary visit to the seaside.
- Design your own seaside creature.
- Set up a seaside shop. Buy items from your shop and show your working outs.
