

Home Learning

Year 4 Spring 2

Ideally home learning will be in on a Thursday so it can be marked before being returned on Friday.

Tricky
Moderate
Easy

	Create a picture, poem or short story to help someone else understand what forgiveness is.	Fractions Create your own fraction wall. 	Write a Traditional Tale with a twist.
	Write a route (using correct geographical terms for direction) for a journey e.g. the journey to school, visiting family and friends, a place of worship or to attend a club.	Create a simple Easter Garden	Fractions Find as many equivalents as you can for one quarter.
	Fractions Adding to make 1 whole. See worksheet	Science Draw an open and closed circuit with a bulb, battery, and switch.	Make a list of as many synonyms for happy. (Synonyms are words with the same or similar meaning).

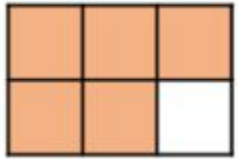

Challenge
Write your own fraction word problem

Challenge
Have a discussion. Is it easier to forgive or be forgiven?

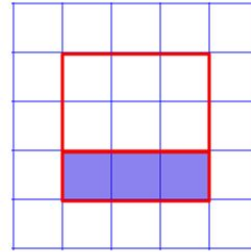

Challenge
Describe the advantages and disadvantages of solar powered electricity.

Maths - Fractions

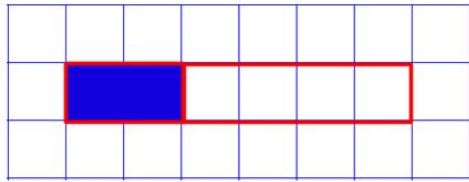

Practise adding the fractions to make a whole.

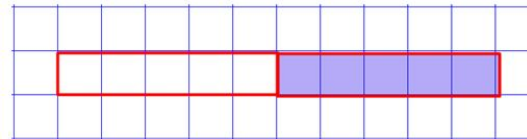

$$\frac{5}{6} + \frac{1}{6} = \frac{6}{6}$$

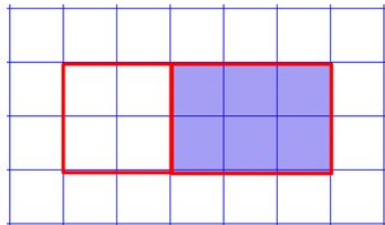

$$\square + \square = \square$$

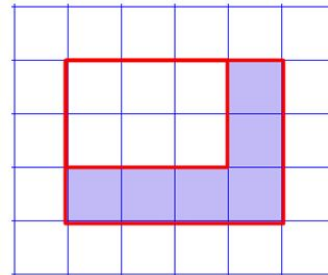

$$\square + \square = \square$$

$$\square + \square = \square$$

$$\square + \square = \square$$

$$\square + \square = \square$$

Now draw some of your own.
