

Dear Pandas

Welcome to Panda Class!

Let me tell you a few snippets of information about me. I haven't been teaching for very long but I already think that it is the BEST JOB in the WORLD! My favourite subjects are English, Art and tricky Maths. The most important thing in Panda Class is having fun in our learning and trusting each other.

I live in Dorchester and I enjoy going on lots of walks all around Dorset with my dog called Teddy. I get to do lots of travelling during the holidays because my family live all over the world. My favourite place to be is swimming in the sea at the beach.

My favourite book series when I was younger was The Famous Five books by Enid Blyton. I really enjoyed recreating in my own imagination the adventures that the children went on in the stories. I am a bit of a foodie and I can't pick just one food to be my favourite because I love all food!

Mrs Radford is our Classroom Teaching Assistant. Mrs Radford loves working in Year 4 and is looking forward to meeting all of you. Mrs Radford is always on the door to meet you and is already looking forward to seeing your smiley faces.

We are really looking forward to being back in school, for some of us it is going to feel like we have been away for a long time. In Year 4 we promise that the learning will be fun and that you will ALL learn lots of new things. We are really looking forward to teaching you all.

See you soon

Miss Cazzulini and Mrs Radford
