

Dear Turtles

Welcome to Turtle Class!

Let us tell you a few snippets of information about us. We have been teaching for a long time now and we think that it is the BEST JOB in the WORLD! Our favourite subjects are English, Art and tricky Maths. This is the second school that we have taught at together. We taught at a school in Weymouth and now we are lucky to be class sharing together. The most important thing in Turtle Class is having fun in our learning and trusting each other.

Mrs Derrien lives with her husband and her three children. The Derrien family have a dog, a gecko and a bearded dragon for pets. All of the family love travelling and going on adventures. Mrs Derrien's favourite place is the beach.

Mrs Sanderson lives in Weymouth with her husband and three sons. All of her children will be at Thomas Hardy School in September. They have a campervan and love to surf in Devon. They also have 2 geckos and a cheeky black labrador called Blue.

Mrs Huttley is our Classroom Teaching Assistant. Mrs Huttley loves working in Year 4 and is looking forward to meeting all of you. Mrs Huttley is always on the door to meet you and is already looking forward to seeing your smiley faces.

We are really looking forward to being back in school, for some of us it is going to feel like we have been away for a long time. In Year 4 we promise that the learning will be fun and that you will ALL learn lots of new things. We are really looking forward to teaching you all.

See you soon

Mrs Derrien, Mrs Sanderson and Mrs Huttley
