

Letter to your Year 8 buddy

Your new teacher would like you to write to your year 8 buddy.

In September you will be partnered with a Year 8 buddy. We would like you to handwrite them a letter telling them all about yourself.

Take time to present this neatly your new teacher will read this.

Then we would like you to decorate your letter in anyway you like that reflects you.

Please bring these to the Year 4 leavers party.
