

We are very excited to tell you that in September you will be in the Meerkat class! We are the adults that will be working with you in Year 2, Miss White, class Teacher and Mrs Smith, class Teaching Assistant. We are very much looking forward to welcoming you back to school to begin your Year 2 journey. We have some very interesting learning planned for you all, our first topic will be all about dungeons and dragons!

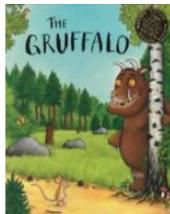

Miss White

My favourite children's author is Roald Dahl and I have recently bought a set of his books that I am really looking forward to sharing with you during our class story times.

My favourite fruit is strawberries but I really like chocolate too! One of my hobbies is playing the flute and I am looking forward to when I am able to play a tune for you all to sing along too (when it is safe). I love being a teacher and I am very excited for the new term to begin!

Mrs Smith

I have been at Manor Park First School for lots of years and a TA in Meerkat class for 5 years. I love to spend time outside walking and looking at nature. I also love to make things and am interested in art. My favourite children's authors are JK Rowling and Julia Donaldson. I am really looking forward to meeting you all and finding out the things you like to do.

We are very keen to find out more about all of you and we hope you enjoy taking part in the fun transition activities we have prepared for you to do this week whether that is in school or at home. We would be so pleased to receive your reply to this letter. You could ask your adult to put a photo of your letter onto Tapestry for us to read.

We would like to wish you a happy, healthy summer holiday and we look forward to seeing you very soon!

Miss White and Mrs Smith
