

# Hello Octopus Class!

## Welcome to Year 1!

Hello!

We are so excited to welcome you to Octopus Class and to Year 1- we hope you are looking forward to moving up too.

In your class you will have Mr Allen and Miss Newbury. We have put lots of things on the website to welcome you to your new class- you can meet your teachers through our special videos we have made and have a look at our “all about me” fact files.

We have also put lots of activities that you may like to do to share with us- you could write your own fact file so we get to know a little bit about yourself and what you like. We have also included a postcard template for you to write about what you are most looking forward to in your new class. You may even like to learn how to draw an Octopus- we have included a drawing tutorial, or you might prefer to colour a Octopus in.

Over the summer we will be getting your new class ready- when you come back in September, your peg will be ready for you to put your things on. There will be lots of time and fun activities to help you settle in, get used to your new class and being back at school. We will have a mixture of indoor and outdoor play and lots of fun activities so you can show me what you can do.

For the first few weeks our topic will be “All About Me” so we will have plenty of time to get to know one another, our class, meet new friends and our teachers.

We can't wait to meet you all.

Have a wonderful summer and we'll see you in September.

Lots of love

Mr Allen and Miss Newbury
