

Hi girls and boys,

We can't wait to see you all in September when you are in Year 3. In Owl class your teachers will be Mr Hine and your teaching assistant will be Mrs Alston . Here is a little hello from your class teacher.

Hello outstanding Owls,

I'm just writing a quick message to you before heading out - today I'm off rock climbing; it's one of my favourite things to do when the weather is nice and there's nothing better to get your mind thinking. It also seems to be one of the few things I can do at the moment as some of my other interests, such as swimming and Brazilian Jiu Jitsu, have been put on hold. But there's no need to grumble, as long as I can be active I'll have a smile on my face!

Tonight (after cleaning all the chalk and mud off) I'll sit down in a quiet corner or in front of the fire for a good read. I've just found a really amazing book that I'm excited to dive into. What stories do you enjoy? Maybe after that, I might listen to some music, play some chess or do a bit of drawing in my sketchbook - art is one of my hobbies that I'm always trying to improve in and everyday I'm getting a bit better.

I am really looking forward to meeting all of you and starting our Year 3 learning journey together, remember to tell me a bit about yourself in your postcard.

In the meantime, stay safe and look after yourselves future Owls,

from Mr Hine

Reread your letter and answer the questions, remember to use the information from the text and answer in full sentences. You can ask an adult to help you.
