English

Meet your new teacher!

Look on the school website for the letter from your new teacher. We would love to receive a reply from you! Could you tell your teacher a little bit about yourself? What are your favourite things? Is there anything you would really like your new teacher to know? You could put a photo of the letter onto Tapestry and we could make sure your new teacher receives it. Remember the layout of a letter and your writing checklist.

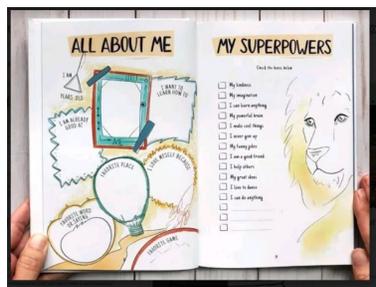

Hopes and Dreams

Tell your new teacher all about your hopes and dreams. Complete the following sentences with as much detail as you can. 'My greatest achievement is...' and "I really want to".

Fact File

Create a fact file all about yourself. This could be given to your new teacher in September to help them learn all about you. We would love to see them, either on Tapestry or when you come back in September!

Memories from Year 1

This has been a very strange year and we wish we could see you in school to say goodbye properly.

Think back over the last year - what have been the best bits? Show this in anyway you choose! Video, diary, letter, fact file, mind map - just a few ideas for you!

Let's hand over to some Celebrity Supply Teachers!

Have a look at some of the BBC's Celebrity Supply Teacher videos on this website. What would you like to do? History, science, art, music ... there's something for everyone!

[BBC iPlayer - Celebrity Supply Teacher](#)

Children ... don't show this bit to your families! While your families think the BBC teachers are hard at work (the videos are only ten minutes each) why not make them a beautiful thank you card for all their amazing help over the last 14 weeks! They have been fantastic!!

	Capital letter to start my sentence see a dog
	Punctuation to end my sentence where is the dog?

Play this game with somebody that you live with.

Preparation for September
Think about how you are going to get to school in September. Are you going to walk, scoot or travel by car? You could draw a map to help you learn your route and practise it with an adult.

Create your own personality swirl.

How to draw...your new class animal (Meerkat, Penguin, Kingfisher). Bring these into school in September to create a new display.

End of year picnic

We can't have a class party, but why not have an end of Year 1 picnic or barbeque with your family - and possibly a socially distant friend (all within the current guidance of course)? And

What are you going to wear? Get your uniform ready - does your old uniform still fit you? What else will you need to bring to school - water bottle and packed lunch?

In each section write a word that describes something about you eg funny, smart etc

get ready for a wonderful summer.

On-going throughout the week:

This week we are thinking about our transition to Year 2. Create your own time capsule! Consider special objects that remind you of your time in Year 1 both in school and learning at home. Put all of your special objects into a container and keep them all safe to open this time next year.
