Inspiring all to learn and grow 

8th October 2020

Dear Parents/Carers

Firstly I would like to take this opportunity to thank you all for remaining calm following the news I had to share with you yesterday evening, and for setting such a positive example to our children during this morning's drop off. I understand that people will be nervous but it is important for the children that we all remain positive and calm.

In response to this and as additional precautionary measures we have also decided that we will be asking the children to remain in their class groups at playtime and lunchtime play.

I would also like to say a big thank you to all those who donned a mask this morning at short notice. It was lovely to see so many parents and staff 'smiling with their eyes' at such a difficult and challenging time.

Finally to those parents who have been required to make huge changes as your child has been asked to self isolate, I would also like to say a massive thank you for your understanding as to why these precautionary measures are needed to be put into place. By following Government guidelines, however difficult they are, we are all making a positive difference to our community's health.

So once again, thank you to our wonderful families, children, Governors and staff who continue to work for the very best interests of all our school community.

Yours sincerely

Mrs M Pallister  
Headteacher
