Inspiring all to learn and grow 

26th February 2021

Dear Parents/Carers

As a school, Manor Park takes a holistic approach to our children's education. We are aware that for many families, the last few months have been difficult or challenging for a variety of reasons and we wish to continue to support you and your children the best way possible on your return to school in March.

As we did following the last partial closure of schools, we have put together two questionnaires, one for adults and one for children, to help guide and inform us with regards to any additional support that may be required to be put in place for you and your children.

We would ask that you complete and return the questionnaires to us as soon as possible please. All responses would be helpful, however, should you feel there are some questions you would not like to answer, please do not feel obliged to answer them. All responses will be confidential to the school.

Thank you for your amazing efforts to keep going throughout this latest lockdown. We would like to take this opportunity to thank you for the support you have given the school and your children during this difficult time. Your responses on the questionnaires will be very valuable to us in enabling us to be able to continue to support you if required.

We look forward to seeing you all again in March.

Many thanks

Mrs Tina Hill  
Family Support Worker

Ms Clair Bolland  
ELSA
