Diary

- 6th July** Sports Day - Pre-school and Reception
- 7th July** Sports Day - Year 1 and Year 2
- 8th July** Sports Day - Year 3 and Year 4
- 12th July** Y4 Hooke Court Day Trip
- 23rd Jul** Last Day of Term

Parent Consultations

We don't normally have parent consultations in the Summer Term but this year to aid communication in what has been a challenging year we are going to write a brief annual report AND have a virtual parent consultation week beginning 5th July. Dates and times to follow.

Sports Day

We are planning to hold our Sports Days on the following dates:

6th July - Pre-school and Reception ~ 7th July - Years 1 and 2 ~ 8th July - Years 3 and 4

We are really pleased that each year group will experience their own Sports Day this year. The format will be a mixture of team and competitive races. All children will have the chance to earn stickers and be rewarded for their efforts.

As the Tokyo Olympics are taking place in the summer, we will be linking this to the 7 Olympic Values in each year group during the week, with a range of activities which we will share with you on the website.

Sadly we are not in a position to open our site to parents and carers again but we will be sharing images with you following the events. The children are busy preparing for their events during their PE lessons and we have booked the sunshine so don't forget sun hats and sunscreen to go with PE kits on the day. We are really looking forward to sharing the activities we will be doing in school remotely with you during sports week.

School Photos

Class photos were taken today and individual photos for Pre-School, Reception and Year 4. Information about how to order will be sent out on Monday.

it's summer! it's summer! it's summer! it's summer! it's summer!

Summer

Don't forget the ice cream van will be visiting every Friday until the end of term!

it's summer! it's summer! it's summer! it's summer! it's summer! it's summer!

Bugfest Visit

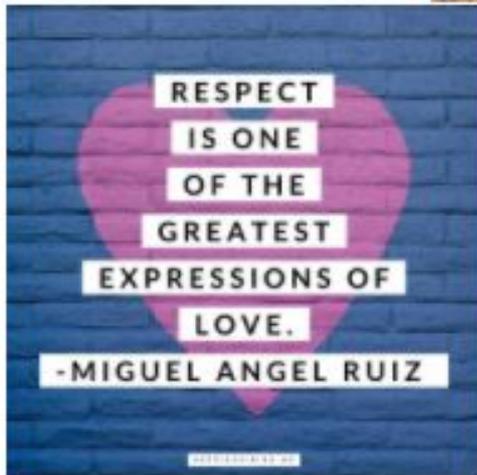

Reception have had a very exciting start to the half term with some creepy crawly visitors from Bugfest!

They were able to meet and learn about snails, spiders, scorpions, cockroaches and other bugs.

They asked lots of questions and some were very brave to hold or touch them.

Our collective worship theme this ½ term is

Let's talk about **respect** together..

- Remember to say please and thank you to those around you.
- Think about how you could respect all the living things that God has created and choose one to try e.g join a litter picking group.
- Create an acrostic poem using the word respect that would help others understand what it means and how you could show it.

So in everything, do to others what you would have them do to you
Matthew 7:12

And finally from Mrs Pallister

I hope you all had a wonderful half term holiday. The children are keen to be showing us that they are ready for the final half term before the holidays and the move up a year! It has been a wonderful week of bugs, making Samba music, dressing up and exploring the 80s, to name a few events. Many more exciting opportunities for the children are being planned for.

As we move into the next phase of the Government's Roadmap many of you have been asking when we will be making changes to how we have been operating and the simple answer is that we don't know yet. For now, we continue to be focused on ensuring that we provide as much as we possibly can for the children with all of our current measures in place. We will continue to look at guidance and reflect on our practice.

I hope you all have a wonderful weekend.
