

Our topic this term will run over the whole of the summer with the first part of the summer term looking at how high is the sky and the final part of the summer will be looking at how deep is the ocean.

Dates for Diary

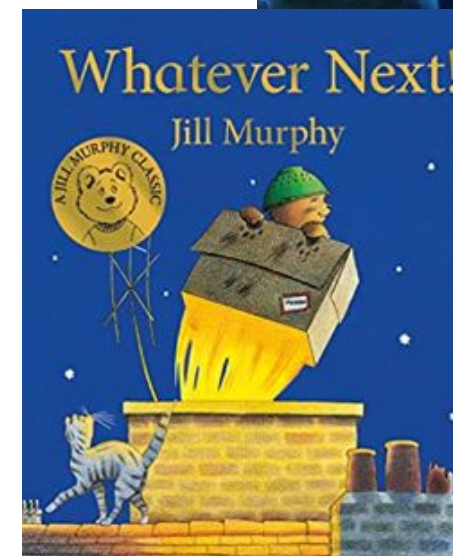

- King's coronation celebration Friday 5th May.
- Science day with a visit from the Science Dome which is kindly funded for by our PTA.

Home learning!

This half term we would love to see you finding out about space.

- Can you write your own fact book about space?
- Can you make a rocket and label it- you could draw a rocket or create your own rocket from junk or toys you have at home.
- Can you create a space picture?
- Red words- learn how to read and spell them.
- Reading- continue to read at least 3 times a week.
- Maths- to practise your number formation

How high is the sky and how deep is the ocean?

Reception
Summer 2023

Literacy

This half term we will be enjoying and exploring a range of fiction and non-fiction texts.

The children will be learning how a nonfiction book is used and writing facts about what they have learnt. When learning our stories we will continue to draw story maps and write our own versions of the story.

The children will continue to follow our Read Write Inc phonics scheme.

Maths

In maths this term we will continue to learn about the composition of number with numbers up to 10. We will be writing our own number lines using our knowledge of ordering numbers and which ones are more and fewer than.

We will start to look at capacity and use the words full, empty, half full and make comparisons.

Other areas of the curriculum

We will be learning about the different planets. We will learn about their features and compare them. We will also look at the moon landing and learn about who was the first man on the moon and when this happened.

We will also be learning about the Royal Family to go alongside the King's coronation. We will be looking at the history of the Royal family and preparing for a celebration.
